

# RETURN TO WORK EMPLOYER SOLUTIONS

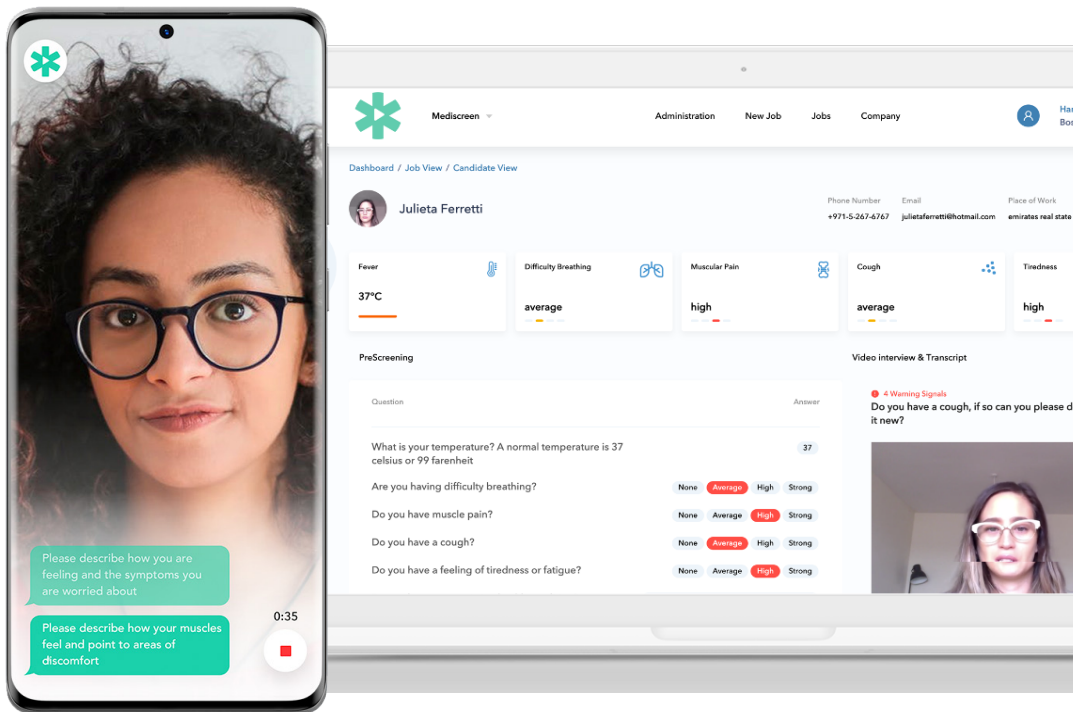

GoMD is pleased to offer employers and government entities full service COVID-19 health and safety resources. Now you can utilize GoMD's Back to Work Protocol as a full-service bundle, or a-la-carte – a customized, turn-key solution.

## I: COVID-19 VIRTUAL TRIAGE + SCREEN TESTING

GoMD Mediscreen is a rapid, low cost technology-driven solution to triage employees virtually. Symptoms are surveyed before user completes a short, one-way video screening triage with a virtual medical assistant to determine who's ready to return to work, and who should stay home or seek further medical consult.

Virtual Triage Screening for all employees: COVID  
Rapid Result Screening Test:  
ImmunoRisk Screening Lab Test:

\$20 / screening  
\$25 / test  
\$39 / test

## II: VIRTUAL HEALTH SOLUTIONS

Save time. Save resources. Save money. Provide ongoing medical and emotional support to your employees during the crisis and their transition back to work.

Health Membership	\$9.99 / month
Virtual Doctor Visit	\$9.99 with membership
Emotional Health Solution	\$6 / month

## III: ADVANCED SANITIZING SOLUTIONS + PERSONAL PROTECTIVE EQUIPMENT (PPE)

Provide a safe workplace environment. Inquire for pricing.
